

PFLAG Princeton Membership Application

PFLAG Princeton

PFLAG, the nation's largest family-based support group, promotes the health and well-being of gay, lesbian, bisexual and transgender persons, their families, and friends through a variety of activities. The PFLAG Princeton chapter holds monthly meetings throughout the year where we share our unique stories, and learn from each other and knowledgeable guest speakers. PFLAG Princeton also has a buddy support program that offers confidential person-to-person support.

Your contribution includes membership to both the local Princeton and national PFLAG organizations.

The benefits of membership include:

- Support of families and friends at local meetings
- Discounts on PFLAG publications
- Discounts to PFLAG National events and conferences

Please take a moment to join PFLAG Princeton

One-year Individual Membership \$40.00

One-year Family Membership \$60.00

Additional donations are greatly appreciated for use in future events and overhead costs.

Annual membership period is from October 1 through September 30*.
